

# Baby Loss Awareness Week

9-15 October

Once again we are taking part in Baby Loss Awareness Week from 9th - 15th October. As in previous years we shall have a tree in the fellowship lounge window displaying the names of babies lost during pregnancy or in infancy. On the Saturday evening from 7pm we shall be illuminating the tree in blue and pink as part of the global Wave of Light which will see many buildings and monuments lit up in these colours including Wallace Tower, The Kelpies, The Arches at Kilmarnock, Blackpool Tower to name just a few! We are also asking people to show their support by lighting a candle between 7pm and 8pm on the Saturday evening. If you would like a name adding to our tree please email Lynda Mary @ [lyndamary07@gmail.com](mailto:lyndamary07@gmail.com) with the details you would like including. Remembering all babies gone too soon.
