The Technical Team needs your help! We are receiving more and more requests for technical support during the variety of events hosted by our church. Our current merry band would welcome anyone who is interested in this area. No prior IT knowledge is required although it would be beneficial. Training would be provided - as well as comfy chairs and a heater!

If you think you can help please make yourself known to one of the team—we're in the Naughty Corner! Or, alternatively, email hazel.hoyle@hotmail.co.uk. We look forward to welcoming you.

Helping Hands Remember that we now have help for those jobs that we just can't quite manage ourselves. No payment necessary although, if you feel you must pay something, please drop it into the plate on a Sunday. Contacts: Bill Cormie (442471) and Ian Stewart (443951). The scheme has now been extended to include a 'form filling service' - for example, you may wish help in applying to renew your driving licence.
